

MOVE OF GOD

SEU WORSHIP & DAVID RYAN COOK

VERSE 1

We've come, for a move of God.
We've come, for the Holy One
All we want, All we hunger for is you

VERSE 2

We've come, with expectant hearts.
Undone, knowing who you are
Lord we long
For what only you can do

PRE-CHORUS

Holy Spirit come like

CHORUS

Fire on the altar
Fresh wind blowing through.
We're gonna stay here
'Til we encounter you
Make us an offering
Make us an upper room.
We're gonna stay here
'Til we encounter you

TAG

'Til we encounter you

VERSE 3

Make us desperate
Tear our idols down
We're repentant
This is still your house.
You meant it
When you said you'd pour your Spirit out

PRE-CHORUS

Holy Spirit come like

CHORUS

Fire on the altar
Fresh wind blowing through.
We're gonna stay here
'Til we encounter you
Make us an offering
Make us an upper room
We're gonna stay here
'Til we encounter you

TAG

'Til we encounter you

BRIDGE

We need a move of God
We need a move of God
We need a move of God
We're hungry, we're desperate
Lord open the heavens

CHORUS

Fire on the altar
Fresh wind blowing through.
We're gonna stay here
'Til we encounter you
Make us an offering
Make us an upper room.
We're gonna stay here
'Til we encounter you

We need a move of God.
We need a move of God
We need a move of God
We're hungry, we're desperate
Lord open the heavens
