

# OIL & OFFERING

SEU WORSHIP & SYDNEY JAMES

## VERSE 1

You're the creator, so I know it will be good  
You're the author, so my future is assured  
You're the potter, so I'm clay within your hands  
My life surrendered to your will and to your plans

## CHORUS 1 (2X)

I wanna be holy like you are  
Even if it means I'm set apart  
Make my life to look just like your heart  
If you're holy, I wanna be holy

## VERSE 2

You're my father, I was made to look like you  
You're refiner, so this fire's for my good  
You call me higher, show me there's a better way  
Oh King Jesus, I am covered by your name

## CHORUS 2 (2X)

I wanna be holy like you are  
Even if it means I'm set apart  
Make my life to look just like your heart  
If you're holy, I wanna be holy (like you are)

## BRIDGE

I wanna be the oil  
I wanna be the offering  
If it's what you want  
You're with me in the fire  
You're with me in the blessing  
'Cause it's who you are

## CHORUS 3

I wanna be holy like you are  
Even if it means I'm set apart  
Make my life to look just like your heart  
If you're holy, I wanna be holy

## TAG

If you're holy, I wanna be holy  
If you're holy, I wanna be holy  
If you're holy, I wanna be holy  
Like you are

## BRIDGE

I wanna be the oil  
I wanna be the offering  
If it's what you want  
You're with me in the fire  
You're with me in the blessing  
'Cause it's who you are

## TAG

It's who you are

## CHORUS

I wanna be holy like you are  
Even if it means I'm set apart  
Make my life to look just like your heart  
If you're holy, I wanna be holy  
Like you are
