

# SLOWER I GO

## VERSE 1

I wanna move slowly.  
'Cause this moment is holy.  
You're never in hurry  
So why ever would I be?

## PRE-CHORUS

Search me and know me  
And prune what You find  
The future I've made  
Oh I leave it behind me  
Lord if it's You  
Then it's perfect in timing  
I wanna have

## CHORUS

Slow feet slow plans  
Steadfast in patience  
Rid me of my quickness  
I'll be soon to listen

## POST CHORUS

It seems as though  
The slower I go  
The faster I arrive

## VERSE 2

I love how we're talking  
Just quietly walking  
The truest of friendships  
The more that I know  
Oh the more I wanna have  
I wanna have

# SEU WORSHIP & CHELSEA PLANK

## CHORUS

Slow feet slow plans  
Steadfast in patience  
Rid me of my quickness  
I'll be soon to listen

## POST CHORUS

It seems as though  
The slower I go  
The faster I arrive

## BRIDGE

We're not in a hurry  
We're not in a hurry

## CHORUS

We wanna have  
Slow feet slow plans  
Steadfast in patience  
Rid us of our quickness  
We'll be soon to listen

## CHORUS

Slow feet slow plans  
Steadfast in patience  
Rid me of my quickness  
I'll be soon to listen

## POST CHORUS

It seems as though  
The slower I go  
The faster I arrive
