## VERSE 1

F# C#  
I've tried predicting  
G#  
How You'll come and meet me  
F# C#  
But You love doing new things  
G#  
I'll never get over it  
F# C#  
You're the bullseye  
G#  
The center of my life  
F# C#  
The greatest surprise  
G#  
Around every corner

## PRE-CHORUS

F# C#  
And I'm overwhelmed  
G#  
By how You do it  
F# C# G#  
I can't comprehend it all  
F# C# G#  
And if there's one thing I'm sure about You  
F# C# G#  
No one even comes this close

## CHORUS

F# C# G#  
Who is like the Lord  
F# C# G#  
Who is like the Lord  
F# C#  
Nothing in the world compares to You  
G#  
You're the way, You're the life,  
You're the only truth  
F# C# G#  
Who is like the Lord

## VERSE 2

F# C#  
Of all the options  
G#  
Choices, religions, there's just  
F# C#  
Nothing quite like  
G#  
The way that You love me  
F# C#  
You're my Savior, helper  
G#  
Father and Friend  
F# C#  
Nobody knows me  
G#  
The way that You know me

## BRIDGE (2x)

F# C#  
You're the God who parts the waters  
G#  
And walks me through them  
F# C#  
You're the God who meets me right  
G#  
Where I am  
F# C#  
You're the God who sees my giants  
G#  
And helps me face them  
F# C#  
You're vast and Your close  
G#  
You're my one living hope
