

who is like the Lord

SEU WORSHIP & KENZIE WALKER

VERSE 1

I've tried predicting
How You'll come and meet me
But You love doing new things
I'll never get over it
You're the bullseye
The center of my life
The greatest surprise
Around every corner

PRE-CHORUS

And I'm overwhelmed
By how You do it
I can't comprehend it all
And if there's one thing I'm sure about You
No one even comes this close

CHORUS

Who is like the Lord
Who is like the Lord
Nothing in the world compares to You
You're the way, You're the life,
You're the only truth
Who is like the Lord

VERSE 2

Of all the options
Choices, Religions, there's just
Nothing quite like
The way that You love me
You're my Savior, helper
Father and Friend
Nobody knows me
The way that You know me

PRE-CHORUS

And I'm overwhelmed
By how You do it
I can't comprehend it all
And if there's one thing I'm sure about You
No one even comes this close

CHORUS

Who is like the Lord
Who is like the Lord
Nothing in the world compares to You
You're the way, You're the life,
You're the only truth
Who is like the Lord

TAG

Who is like the Lord
Who is like the Lord

BRIDGE

You're the God who parts the waters
And walks me through them
You're the God who meets me right
Where I am
You're the God who sees my giants
And helps me face them
You're vast and Your close
You're my one living hope

CHORUS

Who is like the Lord
Who is like the Lord
Nothing in the world compares to You
You're the way, You're the life,
You're the only truth
Who is like the Lord

TAG

Who is like the Lord
Who is like the Lord
