

YOU ARE GOOD

SEU WORSHIP,
JACOB LYNCH, CHELSEA PLANK

VERSE 1

I look up to the sky
and I see a big God, Yahweh
Who still fits into every single little space
Heaven doesn't feel like
miles away anymore
Cause you're with me
and when you're with me then

PRE-CHORUS

I don't have to conjure up a feeling
You tell me you are good and I receive it

CHORUS

You've shown, you're so faithful
You are good, you are good
you are always good
I'll keep my song simple
You are good, you are good
you are always good

VERSE 2

I'll give you what I have
I wanna be your hands and feet
More than just a song
I'll let my worship fill the streets
Cause Heaven shouldn't feel like
Miles away to anyone
Cause you're with me
and when you're with me then

PRE-CHORUS

I don't have to conjure up a feeling
You tell me you are good and I receive it

CHORUS

You've shown, you're so faithful
You are good, you are good
you are always good
I'll keep my song simple
You are good, you are good
you are always good

TAG

You are good You are good
You are always good

BRIDGE 1

I don't have to
Conjure up a feeling
I don't have to see it
To believe it
Your presence is a gift
I will receive it
I wanna know You more
I wanna lean in

BRIDGE 2

Awake my soul
And sing what You know is true
You are good You are good
You are always good
From mountain high
Or valley low I know
You are good You are good
You are always good

REFRAIN

You are good You are good
You are always good
You are good You are good
You are always good
